

Additional Materials Required

1 Electronic Color Photos

Please send us electronic color photos of all your team members to get you through identification systems during the final.

Photo Specifications:

- 1) Size $\geq 600*800$ and volume $\leq 400K$;
- 2) The photos should only contain a recognizable human face against a single-color background;
- 3) The human face should account for at least 30% of the picture in size;
- 4) The pictures could be in .jpg, .jpeg, .gif or .png;
- 5) Each photo should be named after the person it captures.

2 Vector Graph of University Emblem

Please send us a vector graph of your school emblem, which will appear on our Display Board of Participating Universities.

3 Materials for Project Presentations

Please send us materials for online and offline presentations of your project as specified below.

1) Materials Required for Offline Project Presentation

Offline project presentation will be in the form of display boards containing pictures and short texts (in both English and Simplified Chinese). Based on the template provided (Attachment 4), each team should independently design and submit a digital version of their display board. The Organizational Committee will help print the boards.

(Template for Designing Offline Project Presentation)

Please note that you can only edit within the delineated area. The final design should be sent in both .JPG (200dpi) and .PSD formats.

2) Materials Required for Online Project Presentation

An introductory text (in both English and Simplified Chinese) containing no more than 1,000 words; up to 5 pictures in .JPG format, each of

0.5~1MB; a one-minute video in .MP4 format, with a volume under 20MB.
The Organizing Committee will help produce online presentations.

*Please put files for online and offline presentations in two separate file folders, and compress the folders into **one single file** named after your team.

IMPORTANT NOTE

a) It is suggested that your team leader collect all the materials required and send the final files to the designated mailbox as attachments to your Email of Confirmation named in the format of “Confirmation of Participation + Team Name + Team Leader’s Name”.

The final files should include and be named EXACTLY as the followings,

1. Team Information
2. Electronic Color Photos
3. University Emblem
4. Materials for Project Presentations

Please do not miss the deadline.

b) If you decide to attend the on-site final, we suggest that you arrive at Xiamen International Airport **before 12:00** on 12 October.
